

READ ME:

Thanks to all ISSP-users for downloading this zip-file!

The data from Tunisia was not integrated into the international file for ISSP 2018, because it did not meet the required methodological standard due to the quota sampling used. In addition, in Tunisia's first deposit for the ISSP project some of the background variables were missing.

In order to make this dataset nonetheless available, this zip-file can be downloaded. The following citation is recommended for the data:

Ben Hafaiedh, Abdelwahab (2020): International Social Survey Programme: Religion IV - ISSP 2018 (Tunisia). GESIS Data Archive, Cologne. ZA7629 Data file Version 1.0.0,
